- Battery capacity: 2100 mAh
- Batteries included
- Power supply: 100-240VAC, 50/60Hz

Green Specifications

- Heavy metals: Cd free, Hg free, Pb free
- Packaging material: PET

Outer Carton

- EAN: 87 12581 41323 1
- Number of consumer packagings: 4
- Gross weight: 2.86 kg
- Outer carton (L x W x H): 32.7 x 20 x 19 cm

- Nett weight: 2.32 kg
- Tare weight: 0.54 kg

Packaging dimensions

- EAN: 87 12581 41320 0
- Number of products included: 1
- Packaging type: Blister
- Packaging dimensions (W x H x D): 13 x 25 x 6 cm
- Gross weight: 0.638 kg
- Nett weight: 0.58 kg
- Tare weight: 0.058 kg

Charging & Control

- Charge current: 550 mA

Highlights

12V car plug

The charger has a special adapter that fits into the cigarette lighter socket of your car. This means that next to charging from the mains you can also do it when you are on the move.

Exclusive compact design

The exclusive stylish and compact design makes it easier for you to travel with the charger and even more fun to use.

Charge AA and AAA

The charger is designed to charge AA and AAA batteries.

Smart charge protection

The special sensor detects when the batteries are fully charged and switches over to trickle charge to keep your batteries full and ready for use. The overcharge protection prolongs the life of your batteries by preventing the damage caused by overcharging.

Trickle charge

Rechargeable batteries all suffer from self-discharge over time. The automatically started trickle charge keeps your batteries full and ready for use when they are kept inside the charger and in the power outlet.
